

## Application for an ECOMATES Doctoral Candidate Position

Name: \_\_\_\_\_

Surname: \_\_\_\_\_

ID type: \_\_\_\_\_ ID Number: \_\_\_\_\_

With the present document, I am applying for the following position(s):

1) \_\_\_\_\_

2) \_\_\_\_\_

3) \_\_\_\_\_

I hereby confirm that I am informed on the terms for the Mobility rule as described at page 5 of the [Guide for applicants](#). I will be able to provide substantial evidence as proof of compliance to the mobility rules in a second stage.

I confirm that I will participate to the secondment(s) as indicated in the description of the position(s).

I confirm that I satisfy the eligibility criteria and the requirements of the DC position(s), I am applying to.

I confirm that attached to this document I am sending:

- A cover letter, explaining motivation to apply and relevance of the position for the candidate (in case you apply for multiple positions, please mention each position in one cover letter).
- A curriculum vitae, including all relevant education and research experience.
- A certificate of master's degree (or declaration of equivalence of the requested degree, if applicable) relevant for the chosen position, e.g. electrochemistry, chemistry, physics, materials science, chemical engineer or a related discipline.
- Contact details of two referees.
- A document (textual, visual, etc. max 1 A4 pdf) describing your ideas to implement the chosen project(s) and how you propose to go beyond the state of the art in the field. If you are applying for multiple positions, you should prepare one document for each position.
